The purpose of these Scorecards is for NWCEH CoC-funded projects monitor compliance and performance on a quarterly basis. Scores are generated from reports using ServicePoint, the local HMIS database. Data collected from reports is then entered into the Quarterly Performance Scorecard. Save this as a PDF to submit with your Scorecard. Agencies using a comparable database (e.g., Victim Service Providers) must provide the CoC HMIS Lead Agency documentation on how all data generated follows and matches the same reporting logic.
